

# Safety Data Sheet

---

## SECTION 1 – IDENTIFICATION OF THE MATERIAL AND SUPPLIER

---

Product Name: **STONE SEAL**

**Recommended use of the chemical and restriction on use:** Construction product – Sealer for stone tiles

Supplier: Morgan Ceramic Tile Adhesives 24 Hanwell Way Bassendean WA 6054

Telephone 08 9279 8911

Facsimile 08 6278 1152

**EMERGENCY TELEPHONE NUMBER**

**08 9279 8911 (during business hours)**

Email [info@morganadhesives.com.au](mailto:info@morganadhesives.com.au)

---

## SECTION 2 – HAZARDS IDENTIFICATION

---

### Classification of the substance or mixture

Not a hazardous substance according to GHS criteria

### Hazard Statements

None

### Precautionary Statement

None

**NON HAZARDOUS CHEMICAL. NON DANGEROUS GOODS. NOT A SCHEDULED POISON.**

---

## SECTION 3 – COMPOSITION/INFORMATION ON INGREDIENTS

---

Stone Seal is a preparation of commercially confidential ingredients classified as non-hazardous according to the criteria of GHS.

---

## SECTION 4 – FIRST AID MEASURES

---

**Ingestion:** Do not induce vomiting. Rinse the mouth with water. Give fruit juice or water to drink. Seek immediate medical assistance.

**Eye Contact:** Hold the eyelids open and irrigate the eyes with copious amounts of water for at least fifteen minutes. Seek immediate medical assistance.

**Skin Contact:** Remove the contaminated clothing. Rinse the exposed areas thoroughly with soap and water. Clean the contaminated clothing before re-using. Seek medical advice if a skin irritation develops.

---

Inhaled: Move the person to a source of fresh air. Seek medical advice if symptoms such as coughing persist.

SECTION 5 – FIRE FIGHTING MEASURES

**HAZCHEM CODE: NONE ALLOCATED**

This product is not combustible. Decomposition of this product will result in the generation of toxic oxides of carbon. Fire fighters should wear a self contained breathing apparatus. Flames on or in the vicinity of this product can be extinguished using conventional fire fighting agents and procedures.

SECTION 6 – ACCIDENTAL RELEASE MEASURES

This product can create slippery conditions. For large spills, wear PVC gloves, goggles, overalls and a respirator. Prevent the contamination of drains and waterways by containing the spill with sand or soil. Remove the product using conventional tools. Collect the adsorbed material and seal it into properly labelled drums for disposal.

SECTION 7 – HANDLING AND STORAGE

Store cool and dry. During storage and transport keep the product away from sources of heat and sunlight.

SECTION 8 – EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure Standards: An exposure standard for this product has not been allocated. The ingredients of this product have been classified as non-hazardous according to the criteria of NOHSC.

Engineering Controls: Morgan’s advise that the product should be used in a well ventilated area.

Personal Protective Equipment: Always handle and use this product with common sense and good industrial hygiene practices. Tilers should avoid all unnecessary skin contact with this product. Chronic health effects can be avoided by the use of a barrier cream. In an enclosed area tilers should wear a respiratory protective device complying with the AS 1716.

SECTION 9 – PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	White Liquid	Solubility:	Soluble
Odour:	Acrylic odour	Specific gravity:	Approximately 1
Vapour Pressure:	Approximately 2.34 KPa	Vapour Density:	Not relevant
Melting Point:	Not available	Boiling Point:	100 degrees Celsius
Flammability:	Not flammable	Explosion Limits:	Not relevant
pH:	8	Ignition Temperature:	Not relevant

---

**SECTION 10 – STABILITY AND REACTIVITY**

---

Chemical stability:	Stable when stored in a dry and cool environment.
Conditions to avoid:	Extremes of heat and cold.
Incompatible materials:	Generally compatible with most materials.
Hazardous decomposition products:	Product will release oxides of carbon.
Hazardous reactions:	Stable with most materials.

---

**SECTION 11- TOXICOLOGICAL INFORMATION**

---

Adverse health effects due to the use of this product are not expected if the product is handled in accordance with this Safety Data Sheet and the products label. Symptoms that may arise if the product is mishandled are:

Ingestion:	Mild irritant. This product may cause an irritation of the digestive tract.
Eye contact:	Irritant. This product may cause an inflammation of the eye.
Skin contact:	Mild irritant. This product may cause an irritation or a rash to develop.
Inhaled:	Adverse health effects due to inhalation are unlikely due to the low vapour pressure of the product at room temperature. Excessive inhalation of the product may cause a slight irritation of the upper respiratory tract.

Chronic health effects: This product contains an industrial biocide which may cause an allergic reaction in some individuals. In most individuals, prolonged contact with this product may cause dermatitis.

---

**SECTION 12 – ECOLOGICAL INFORMATION**

---

Ensure appropriate measures are taken to prevent this product from entering the environment.

---

**SECTION 13 – DISPOSAL CONSIDERATIONS**

---

This product can be treated as a common waste and can be adsorbed with sand & cleaned up with a shovel. Spills should be repacked into plastic lined buckets or into sealable plastic buckets. Before disposing please consult the chemical disposal regulations of the relevant Commonwealth, State, Territory or local government departments.

---

**SECTION 14 – TRANSPORT INFORMATION**

---

**NOT CLASSIFIED AS A DANGEROUS GOOD BY THE CRITERIA OF THE ADG CODE**

UN Number:	None allocated	Hazchem Code:	None allocated
Correct Shipping Name:	None allocated	Packaging Group:	None allocated
Dangerous Goods Class:	None allocated	EPG:	None allocated

---

---

SECTION 15 – REGULATORY INFORMATION

---

Poisons Schedule: A poisons schedule number has not been allocated to this product using the criteria in the standard for the Uniform Scheduling of Drugs and Poisons (SUSDP).

AICS: The ingredients of this product are listed on the Australian Inventory of Chemical Substances (AICS).

---

SECTION 16 – OTHER INFORMATION

---

The information contained herein is considered to be accurate and up to date. However, no warranty is expressed or implied regarding the accuracy of the information contained herein or the results to be obtained from the use thereof. Morgan Ceramic Tile Adhesives will not assume responsibility for the personal injury or for the damage caused to the property of vendees, users or third parties from the storage or use of this product. Vendees or users assume all risk associated with the use of this product.
